

Burapha Agroforestry Co., Ltd is a Swedish/Lao plantation and wood products manufacturing company, with its own plywood mill, sawmill, and plantations.

Established in Lao PDR in 1994, Burapha's objective is to build a timber plantation asset in Laos large enough to be the core wood supplier for a major industrial operation. Burapha currently operates a sawmill/furniture factory and a new, state-of-the-art plywood mill, which commenced production in 2021.
